cc : C/GSD

FROM : DAD/S&D

SUBJECT: Addition to the SIGINT Equipment Manual

The SIGINT Equipment Manual was recently revised to bring it up to date. The procedure to be followed after this revision is to issue changes of additional pages as required.

I believe the first piece of completed equipment reported since this last revision is the [redacted] discriminator described in OEL-613-65. Will you please check to see that information on this equipment is promptly issued in accordance with our Appropriate Procedure? Approved For Release 2002/08/28 : CIA-RDP71B00185A000100040227-8
